- Dinner available, but NOT included

Limit: 52

**For those on the waiting list for the earlier trip,**

**signups begin Oct. 21, 2016 at 8:30 AM.**

**For all others, signups begin Nov. 1, 2016 @ 8:30 AM**

Deadline for signups: Nov. 28, 2016

The Griffith Observatory is Southern California's gateway to the cosmos. We will see live shows in the Planetarium; explore multiple astronomy exhibits, each focusing on a unique aspect of observation; and weather permitting, look through telescopes and enjoy amazing views of Los Angeles and the Hollywood Sign.

Please indicate on the coupon below the two planetarium shows you would like to see. Your choices:

- 1) Water is Life – A journey through the solar system in search of water. Showing at 4:15 PM.
- 2) Centered in the Universe – Travel through time and space back to the big bang and through a universe filled with galaxies to find our cosmic origins. Showing at 6:15 PM.
- 3) Light of the Valkyries – Viking cosmology, and an exploration of the true nature of the aurora borealis (northern lights). Showing at 5:15 PM and 7:45 PM.

Hearing devices are available for all Planetarium shows.

For more information about the shows: <http://www.griffithobservatory.org/programs/soplanetarium.html#center>

Starting at 7:00 PM, if the skies are clear, we will be able to look through the historic Zeiss telescopes from the Observatory's rooftop dome, and a more modern telescope on the front lawn. Knowledgeable demonstrators will be available to guide us in observing. <http://www.griffithobservatory.org/exhibits/telescopes.html>

We can purchase dinner at Wolfgang Puck's Café at the End of the Universe, on the lower level. Open until 9:00 PM; hot items available until 7:00 PM. Menu: <http://www.griffithobservatory.org/visiting/pdf/cafemenu.pdf>

Please contact one of the coordinators if you have questions or need accommodation for special needs:
