By submitting this form, I agree to the terms below and I understand that falsification of any information or failure to comply with the following rules shall result in dismissal from the carpool program.

- During each semester until 9:45 a.m., reserved carpool spaces are being set aside in Lot J for approved carpools **consisting of three or more OLLI members**. After 9:45 a.m., reserved signs will be removed allowing non-carpool members to park in unoccupied spaces.
- The OLLI carpool permit must be displayed on the dashboard of the carpool vehicle and three (3) or more OLLI members must arrive and exit the vehicle when parking as a carpool in any Lot J carpool reserved space.
- Initially, two carpool reservation spaces have been authorized. If more than two carpool reservation applications are submitted, a drawing will be held. All reservation applicants will be informed regarding the results of the drawing.
- The program is experimental and may be terminated in the future upon notice to all applicants.
- While this form allows up to five carpool members plus the permit holder, at least three members must participate each day the permit is valid.
