Join fellow OLLI travelers to have lunch and then tour the Gemological Institute of America by special invitation from OLLI's Don Warthen, a member of the Institute.

First enjoy lunch at the Green Dragon Restaurant and Museum, which is a replica of the original tavern in Boston where notaries like Benjamin Franklin and John Hancock were frequent visitors. The small museum has a rare collection of authentic documents from that era with signatures of founding fathers.

Then we will visit the Gemological Institute where gemologists earn their prestigious credentials regarding the evaluation of diamonds and many gemstones. The 1 ½ hour tour takes you on a journey to see firsthand beautiful exhibits and techniques. Learn about the diamond grading system of color, clarity, cut and carat weight and how they affect diamond value, and see fabulous jewelry that was made on site.

Please contact one of the coordinators if you have questions or need accommodation for special needs.
