## How to Use the Off-Site (EvFree) Parking Structure & Shuttle

Your OLLI parking permit is valid at the regularly patrolled off-site parking structure next to the First Evangelical Free Church on N. Brea Blvd. (2801 N Brea Blvd., Fullerton), just north of E. Bastanchury Road. Parking is available on level 2 and level 3 (uncovered) only on Monday through Thursday (not Friday) from 7:30 a.m. to 7:30 p.m. An elevator is located on the north side of the parking structure.

For southbound drivers, entrance to the parking structure is on the west side of Brea Blvd. If you are driving north on Brea Blvd., continue past the parking structure, and you'll see a left turn lane into the church's surface parking lot. OLLI members are **not** allowed to park in the surface lot, but you may drive through the lot to an entrance to the parking structure, or use the lot's entrance to get to southbound Brea Blvd. and drive back to the Brea Blvd. entrance. For drivers traveling westbound on Bastanchury, continue past Brea Blvd. and turn right just past the gas station into the parking structure.

CSUF provides free shuttle service to and from the EvFree parking structure and the campus near the Parking & Transportation Office on Corporation Drive just off State College Blvd. OLLI Trolleys will transport OLLI members from/to the EvFree drop-off/pick-up point on State College Blvd. and the Ruby Gerontology Center.

During the first week of CSUF's new fall semester, Kathryn Cozza and Debbie Maxwell (pictured) in addition to Mike Stover and Pete Saputo, did test runs, parking in the structure and riding in the shuttle, at 8:30 a.m. and 1:00 p.m. They found ample parking spaces available at both times. Shuttles generally had seats available, but even when a shuttle was packed with students, with four shuttle vans in continuous operation, the next shuttle van was never far behind. The trip between EvFree and the campus was 8-10 minutes. Pete reported an overall good experience.

Mike found EvFree operates The Well, a Starbucks-style coffee shop, adjoining the shuttle pickup. It is located inside the air conditioned and spacious EvFree Library, which also provides restroom accommodations and free WiFi connectivity.
