

Instructions for updating your CSUF Zoom account

Instructions	Diagrams
1. Click on the Zoom app icon on your task bar or on the Mac, the dock	 Zoom app icon
2. Click on Sign In	 The image shows the Zoom application's main interface. At the top center is the Zoom logo. Below it are two buttons: a blue "Join a Meeting" button and a white "Sign In" button with a blue border. At the bottom, it says "Version: 5.0.4 (25694.0524)".
3. Click on Sign in with SSO	 The image shows the Zoom "Sign In" screen. It has a "Sign In" header and a "Sign Up Free" link. There are input fields for "Email" and "Password" with a "Forgot?" link. To the right, there are three social login buttons: "Sign In with SSO", "Sign In with Google", and "Sign In with Facebook". A "Sign In" button is at the bottom right, and a "< Back" link is at the bottom left.
4. If you get this window, enter your CSUF email address, which will be your CSUF username@csu.fullerton.edu	 The image shows the Zoom "Search company domain" screen. It has a header "Search company domain" and a text input field labeled "Your company email". Below the input field is a link that says "I know the company domain" and a "Continue" button. A "< Back" link is at the bottom left.

5. If you get this window, enter "fullerton" for the company domain.

6. Enter your campus username and password.

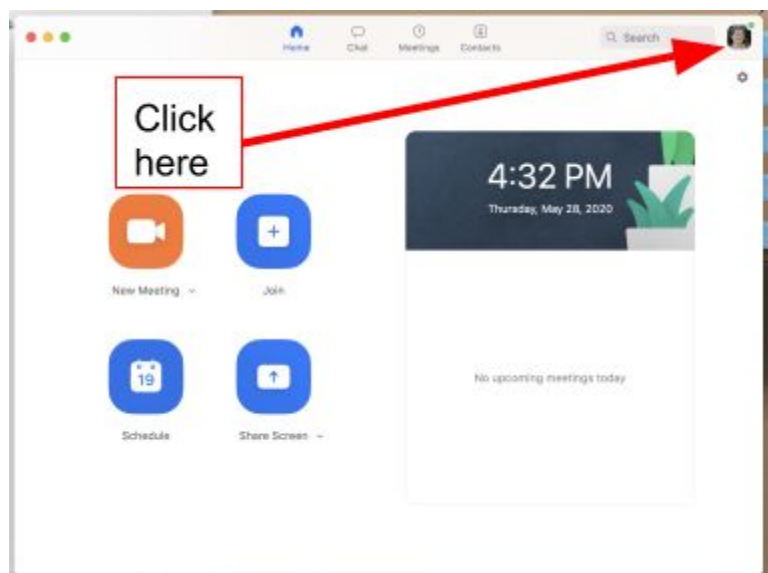

7. Go back to your task bar and click on the Zoom icon

You should see this window with your image or a blank image in the upper right corner of the window.

- Click on the picture

A window with additional options will appear.

- Click on **Check for Updates** and you should be set up to download and install an updated version of Zoom.
