Yanks Air Museum hosts one of the world's largest aircraft collections, most of them airworthy. Painstakingly rebuilding these titans of American aviation history is hard work, with mechanics and craftsmen working by hand to return craft to their original state. We are provided a docent tour to view the aircraft and learn about their history, their stories and their journey from graveyard to restoration.

- Food is available to buy at Flo's famous restaurant (we have a room reserved), food cost varies. You can bring your own lunch but there is no specific place to eat.
- Light walking. Mobility issues? Contact coordinator listed below.

Special Events are open to members only. If the event is not filled by the stated deadline, non-member guests are welcome. Please sign the waiver of Liability & submit with coupon.
