Orange County's Sea and Sage Audubon Society (a chapter of the national Audubon Society) will be our host for this slow-paced outing. We will be guided along the edges of protected wetland ponds on a 1½ hour leisurely walk of about 0.8 miles. The walking surface is flat, and there will be lots of stops to look at the birds. Our guides will be expert birders from Sea and Sage. Sea and Sage also will provide us with binoculars.

We are likely to see sandpipers and other shorebirds, ducks (dabblers and divers), gulls, terns, pelicans, cormorants, egrets, herons, ibises and swallows at the wetlands, as well as woodland and grassland birds, like warblers, hummingbirds, finches, phoebes and roadrunners in the wooded and grassy areas surrounding the ponds.

There are some benches for resting along our route, but feel free to bring folding stools or canes with stools if standing for any period of time is difficult for you.

After our walk, we will eat a picnic lunch at the picnic tables in another area of the Sea and Sage property. You may bring your own lunch, or the Corner Bakery can provide a box lunch consisting of a sandwich, fruit cup, chips and cookie. Sandwich choices are turkey and Swiss OR chicken pesto OR tuna OR vegan. Please specify your choice on the coupon below.
