CREATING CERTAINTY IN AN UNCERTAIN WORLD

Grab your lunch, pull up a chair and please plan to join us for this information session on estate planning. Each webinar covers the basics of estate planning in California so plan to attend the one that is most convenient to your schedule.

A No-Cost Lunch-Time Webinar!

Estate planning is something each of us can do to ensure our values, ideals, and charitable goals are part of our legacy. No one wants to think about getting seriously ill or dying, but these are scenarios we must prepare for to protect ourselves, our loved ones, and our money. We will show you step-by-step how to legally formalize your wishes and ensure they will be followed, bringing you total protection and peace of mind!

Our estate planning workshops provided by the Meier Law Firm (<https://www.meierfirm.com/>). Should you have any questions, please reach out to Hart Roussel at csufplannedgift@fullerton.edu.
