### JOIN US AS WE VISIT...

The sixth-busiest airport in the world - Los Angeles International Airport (LAX), for a behind-the-scenes airfield tour. See LAX Historic Hangar 1, ongoing construction projects, various aircraft like the A380 and Dreamliner, cargo and corporate jet operations. We will also visit the Flight Path Learning Center & Museum, the only aviation museum in Southern California located on airport property. The museum is full of exhibits on aviation's golden years, a DC-3 plane and one of the largest collections of flight attendant uniforms in North America.

We will head to The Proud Bird for lunch on your own after the airfield and museum tour where a multitude of dining options are available with incredible views of planes landing at the airport.

*This trip is handicap accessible.*

For any questions or additional information, contact Bill Sampson ([windowbill@aol.com](mailto>windowbill@aol.com)).
