COVID-19 Response
OLLI has successfully returned to campus. We plan to continue offering a mix of in-person and Zoom or livestreamed programs, recognizing that conditions may change requiring alternative plans for in-person attendance. As this catalog goes to press, CSUF requires that all OLLI members be vaccinated and wear masks indoors at all times. Protocols could change. Watch OLLI’s weekly newsletters, emails and website at olli.fullerton.edu for up-to-date information.

Summer Is in the Air at OLLI

Since March 16, 2020, OLLI has demonstrated the strength and determination of our members and volunteers to learn new ways of bringing our programs to you in spite of the pandemic. In fall and spring we successfully brought 30% of our programs back to campus, while still presenting many of your favorite programs online.

We will continue to return programs to campus, while still providing Distance Learning for those who cannot physically come to campus.

This summer, OLLI will continue to offer over 50 courses along with a variety of additional in-person events. Our membership continues to grow each semester. Invite your friends to try OLLI for the summer.

OLLI programs promote a range of health benefits, self-satisfaction and stimulating learning experiences, while offering the opportunity to learn new skills, encourage creativity and increase your knowledge of the constantly changing world around us. And you will find yourself forming new and lasting friendships.

Our volunteer instructors, along with many other volunteers, share the knowledge and expertise gained throughout years in their field of expertise. This provides members an educational experience that goes beyond standard college courses.

OLLI-CSUF is entirely self-supporting, yet our membership fees are remarkably low. Thanks to our volunteer base, funding from the Bernard Osher Foundation and private contributions, members have the privilege—and fun—of taking as many courses as they want. Whether you are retired, semi-retired or thinking of retiring, there is an active life of learning at OLLI!!

Ellie Monroe, OLLI President
About Us: The Basics

Name and affiliation. OLLI-CSUF stands for Osher Lifelong Learning Institute at California State University, Fullerton. OLLI-CSUF was established in 1979 as a lifelong learning program for retired and semi-retired adults, and an integral part of CSUF operating under the guidance of Extension and International Programs.

We are affiliated with 123 other lifelong learning institutes in the United States, all affiliated with colleges and universities and funded in part by the Bernard Osher Foundation.

Location. OLLI-CSUF is located in the Ruby Gerontology Center (RGC) on Gymnasium Drive in the northeast portion of campus near the Student Housing complex and the Gastronome dining facility. GPS location reference: 800 N. State College Blvd., Fullerton, CA 92831. Mobile device map app reference: “OLLI Cal State Fullerton” or go to http://www.bit.ly/map2olli. See Page 21 or www.fullerton.edu/campusmap for a campus map.

Learning spaces. OLLI courses and activities are generally held in the classrooms, auditorium and computer lab of the Ruby Gerontology Center (RGC) on the CSUF campus or via Zoom or livestream. The RGC is the headquarters for our programs and is exceptionally well designed for the eclectic interests of OLLI's learners. For example, our Shapiro Wing area, with moveable walls, can be divided into as many as four classrooms, becoming a concert space, a painting studio and financial planning workshop, all in one day.

We also use some nearby campus locations within a short walk, and hold a few courses at off-campus locations in the area.

Membership requirements. Anyone retired or semi-retired may join. Members from all backgrounds are welcome; neither a college education nor previous association with the university is a prerequisite for membership. The only requirement is a desire to learn. Curiosity never retires!

Homework? Grades?
Courses typically have no “homework” as you may remember it. There are a few courses—in areas such as photography, language, literature and book discussions—where some optional work or study outside of class will substantially enhance your learning. Except for computer courses and a few others, no pre-registration is required. Just show up, make friends, and learn!

Membership includes a campus parking permit and the following:

- Library access and checkout privileges.
- Use of the campus Wi-Fi network.
- Free admission for two to most CSUF-sponsored athletic events.
- Auditing CSUF courses on a space-available basis with instructor’s permission.
- Discounts to CSUF Performing Arts events.

Note: The above membership privileges are subject to modification by campus administration.

OLLI Governance

OLLI-CSUF is a volunteer organization, guided by a Board of Trustees elected annually from the membership by the membership. The Board is responsible for
OLLI’s curriculum, finances, events and operation within university guidelines and its relationship with Extension and International Programs (EIP). General meetings of OLLI members are held several times a year to conduct business, convey information and provide a forum for member exchange and feedback. Board meetings and those of other major committees are open to members and listed in Other Activities in the back of this catalog.

Joining / Registration / Fees

Membership registration and renewal is only available online through the OLLI website: http://olli.fullerton.edu, select JOIN/RENEW. For those needing assistance with the online process, help is available in the OLLI office, Room 7 at OLLI’s Ruby Gerontology Center (or call 657-278-2446), open Monday through Friday from 8:30 a.m. to 4 p.m.

Renewing members must have their CSUF username and password to renew online. If you cannot find your CSUF username and password or have not created it, please come into the OLLI office to obtain your campus-wide identification number (CWID) and PIN. Then go to the OLLI website and click on “STUDENT PORTAL ACCOUNT” under “MORE INFORMATION” and follow the instructions.

Whether a new or renewing member, it is important that you add your personal email address on the online registration form. This email address will be used for all future communications from OLLI. The system will prompt you for information and payment by asking for your credit card information, or you can pay by electronic check.

Membership/enrollment fee is:

   Membership fees cover a campus parking permit and admission to all classes. 

   Note: A few classes may have limited enrollment, due to space or equipment considerations (e.g., some computer classes), and if so, early sign-up will be advised. 

   Fees also cover participation in other OLLI-CSUF activities, with the exception of some activities for which special expenses are passed on at the lowest possible cost. These include computer education, special events, trips and some special activity classes as specified in this booklet.

Other Fee-Related Items

Reservation forms for special programs or social activities are posted on the OLLI website and included in the monthly OLLI ChroniclE newsletter, which will be emailed or mailed to you per your preference. Payment is required when reservations are made. Refunds are given until the deadline specified on the form, and thereafter if a substitute is found for the reservation-holder.

Scholarships: Scholarships for membership are available for those having financial hardships. Applications can be requested through the OLLI office by phone (657-278-2446) or by sending an email to olli-info@fullerton.edu. Applications must be received five weeks prior to the fall or spring semester. Each applicant will be contacted to set up an interview with the committee shortly after the application due date.

Auditing Cal State Fullerton Courses

One of the most valuable OLLI benefits is the privilege to audit any CSUF course, free of any tuition fees, with the instructor’s permission and approval from the OLLI office. OLLI members don’t receive any official, academic credit from the University, but they enjoy the benefit of a world-class education, participating with University students.

Go to the OLLI website at http://olli.fullerton.edu and click on AUDITING CLASSES for step-by-step instructions to enroll through OLLI. This webpage provides links to the CSUF course catalog and schedule of classes for each semester. You will be asked to complete a form and submit it to the OLLI office, who will obtain instructor approval to attend your course(s) of choice. If approved, you will receive confirmation from the instructor, and later, information on how to access the class.

OLLI Has a Facebook Page

Follow activities at OLLI-CSUF on our Facebook page at www.facebook.com/OLLIcalStateFullerton.

“What joy in making new friends, attending many choices of classes, working with motivated, inspired volunteers and finding such great support.”

-Sue Mullaly
Commitment to Positive Member Experiences

We want all OLLI members to have the best possible experiences at our classes, programs and special events regardless of any differences in gender, heritage, abilities or political ideology. The OLLI leadership and staff are intent on helping you understand the expectations about standards of behavior. These are important to maintaining the high quality of OLLI as a community of learners in a variety of settings that promote learning while also providing for the respectful, open exchange of ideas.

We urge all members to become familiar with and to practice the standards in two adopted policies. OLLI’s Ethical Environment Policy (Policy 2.6) supports an environment that is free of discrimination and harassment by incorporating the University’s Policy Statement 100.006, fostering a climate of civility. That includes displaying respect for others and engaging in respectful discourse on diverse ideas. Please review these policies at http://olli.fullerton.edu (click on GOVERNING DOCUMENTS) and keep them in mind throughout your time at OLLI activities. Per the OLLI policy, any related grievances or incidents should be reported immediately to any OLLI officer or to the OLLI Administrative Manager. In cases of egregious acts (thankfully rare), OLLI may assess sanctions up to and including suspension or termination of membership.

OLLI Website: Everything You Need to Know about What’s Going on at OLLI

The dates, times and places of classes and events are subject to change or cancellation. OLLI members are notified via email or the weekly OLLI newsletters, and the calendar on the electronic bulletin board in the Shapiro Wing is updated. The up-to-date calendar of the whole semester is always available on the OLLI website at http://olli.fullerton.edu. Select the CALENDARS tab to view today’s calendar or the whole semester’s activities by week or month. The CLASSES/ACTIVITIES tab often has more information about courses and activities than is included in the Blue Book.

The OLLI website contains a wealth of other information about OLLI, from its history to who heads up OLLI’s operational areas, committees and teams, and how to contact them. The website describes how to support OLLI, either by donating or volunteering; how to become a member or renew your membership; how to access forms and register for computer courses, trips and special events; how to gain access to the CSUF Wi-Fi and student portal; how to audit CSUF courses … and much more.

A shortcut can be created on a smartphone, tablet or computer to access the OLLI website. On the home page under the MORE INFORMATION column, click on OLLI ON YOUR PHONE/TABLET.

Distance Learning Program

OLLI members may have days when they can’t get to campus, when parking availability is difficult or when their favorite classes are running concurrently, forcing them to miss a class. Selected classes are recorded and archived on the OLLI website for members to stream online at their leisure. Many videos are currently available to watch, and more are added each week. To access the video collection go to the OLLI website at http://olli.fullerton.edu and click on DISTANCE LEARNING VIDEOS or LIVESTREAM/RECORDINGS under MORE INFORMATION on the home page.
Attending Live Programs Online

OLLI uses both the Zoom app and livestreaming through the internet to deliver some courses, committee meetings and events online as an in-person alternative. The links to join these programs can be obtained from OLLI’s weekly Class Information and Updates Newsletter or from the OLLI website under ZOOM COURSE IDS/LINKS or LIVESTREAM/RECORDINGS (you’ll need your CSUF username and password).

To attend a Zoom program, an account is recommended but not required. Anyone can attend by using their laptop or desktop (Windows or Mac), tablet or smartphone (iPhone or Android), or regular telephone. However, be sure to use your full name when signing in to facilitate taking attendance. If you haven’t used Zoom before, leave about 10 minutes to set it up before your first use. If you use a laptop or desktop, the first time you click on a link, it will ask you to download a free Zoom app on your computer. If you are planning to use a tablet or smartphone, you’ll want to download the free Zoom app (“Zoom Cloud Meetings”) from your app store. More information and sources for help with Zoom are available on the OLLI website under ZOOM HELP.

Livestreaming is similar to Zoom, except you don’t need an app—you just need access to the internet. Clicking on the livestream link takes you to a webpage where you choose the current meeting from a list. Unlike Zoom, you will not see the other attendees and the instructor can’t see or hear you, but you can type a message into the chat box. All livestreamed classes are recorded and available to view after the meeting. For more information on livestreaming see OLLI Livestreaming FAQs. An informational video and class recordings are on the OLLI website under LIVESTREAM/RECORDINGS.

Volunteerism / Interaction / Support
OLLI in the University Community

OLLI-CSUF’s retirement model includes volunteerism as a core element, and the University welcomes members’ involvement in campus programs as individuals and as part of OLLI-organized efforts.

Annually, more than 300 OLLI members volunteer in support of OLLI activities. Their efforts improve and expand OLLI programs and activities while ensuring that OLLI membership fees are affordable.

Members also contribute thousands of hours in support of CSUF programs, including Art Alliance, Friends of the Fullerton Arboretum, Music Associates, Patrons of the Library and others.

OLLI-CSUF Collaboration
OLLI + CSUF students + Faculty = Collaboration

Through the OLLI-CSUF Collaboration program, OLLI members share their life experiences and skills with members of the university community—to the benefit of all.

Opportunities include tutoring, mentoring, evaluating and sharing expertise with CSUF classes and individuals in both academic and career/professional pursuits. CSUF students and faculty benefit from our members’ accumulated knowledge and wisdom, and OLLI members enjoy the intellectual stimulation, the opportunity to remain productive and “giving back” to the community.

Learn how to get involved under Other Activities in this booklet, and on our website at http://olli.fullerton.edu under the VOLUNTEER tab.
Transitions in Retirement
Programs for the newly retired and almost-retired

New retirees or those approaching retirement have a special place at OLLI. Transitions in Retirement (TiR) is a series of programs for persons preparing for this next phase of their lives. Whether still working or not, you may not have enough weekday time to benefit from all OLLI courses. Transitions in Retirement addresses that with classes more to your convenience on weekends and during early morning, late afternoon and evening hours.

“Transitions in Retirement Essentials” classes on Saturday mornings during the fall and spring semesters are open to the public at no charge. This gives you a chance to sample what OLLI has to offer. Topics cover a wide range, from financial planning to health issues. Other TiR classes do require OLLI-CSUF membership. TiR offerings are specially marked in our course listings, and you can read more about our program on our website at http://olli.fullerton.edu under Transitions in Retirement on the home page.

Around and About OLLI

Parking privileges. A 24/7 parking permit is included at no additional charge with your OLLI membership, and you will be provided with a hangtag. OLLI parking permits are valid in certain parking lots and structures on campus. For specifics on where and where not to park, see the Parking & OLLI Trolley Information section.

Can I eat in or near OLLI?

Yes! Eating with other OLLI members is a good way to become acquainted. When members bring their lunches, they usually have company in the patio near the kitchen or at a table in the courtyard. Lunches may be stored in the kitchen refrigerator in Shapiro Wing A, but must be removed by Friday of each week. In addition, sack lunches may be taken on bus trips when special luncheon arrangements have not been made.

Within a two-minute walk are several other eating or snacking opportunities:

The CSUF Gastronome, an all-you-can-eat buffet for one price, serves fresh, wholesome, cooked-from-scratch and prepared-to-order meals throughout the day.

The CSUF Community Market, directly across from the Gastronome, stocks a wide array of packaged snacks and fresh produce, hot and cold beverages, foods and sundries.

The Titan Student Union, several minutes away, provides a selection of fast-food (some healthy) franchises and other options; see http://asi.fullerton.edu/titan-student-union#Food for details. While you’re in that neighborhood, you can also shop at the bookstore or Titan Shops with your student discount or do some banking at the ATMs or SchoolsFirst Credit Union.

The Community Market and Student Union food court currently offer a 10% discount if you show your current OLLI membership card (this discount is subject to change or elimination at any time).
OLLI Office

The OLLI office is in RGC Room 7 (see map on Page 22). It is open weekdays from 8:30 a.m. until 4 p.m. Campus holidays are observed. (See apps.fullerton.edu/AcademicCalendar/default.aspx.)

The office phone number is 657-278-2446, and OLLI’s general information email is olli-info@fullerton.edu.

Staff members are Patsy Burns (Manager, Administration), Celia Reynolds (Administrative Assistant), Michelle Sanford (Administrative Assistant) and Ying Lu (Accounting Clerk).

Other

Restrooms are located on the north end of the RGC courtyard, outside on either side of Mackey Auditorium, and in the southeast corner of the RGC, indoors and adjacent to the main entrance to the Shapiro Wing.

Parking & OLLI Trolley Information

Please consult the campus parking map following this section for parking locations. OLLI-CSUF members may park in some CSUF student lots and parking structures as listed below. Members are required to display an OLLI-CSUF parking permit whenever they park on campus.

Lot J, adjacent to the Ruby Gerontology Center (east side), is available exclusively for OLLI permit holders Monday through Thursday until 6 p.m., and Friday until 5 p.m. Lot J is particularly convenient for our members with mobility concerns, so we ask that you keep this in mind when considering where to park.

When Lot J is full, Lots G and A provide a pleasant walk. An OLLI Trolley ride to the RGC is available during published and posted hours. Lot G is located on the SW corner of Associated Road and Yorba Linda Blvd next to Goodwin Field. Lot A is located on the SE corner of Yorba Linda Blvd and State College Blvd.

Do not park in the Arboretum parking lot, even if your class is held at the Arboretum (such as Longevity Stick and Tai Chi). If you have an OLLI class at the Arboretum, park in Lot G. Arboretum parking space is very limited. Continued parking there by OLLI members could result in the loss of access to this wonderful facility for OLLI classes.

OLLI Trolley. The OLLI Trolley is available during spring and fall semesters (no summer service) to transport members between Lots G and A and the RGC, although many members prefer to walk. See the OLLI Trolley operating times under PARKING AND OLLI TROLLEY on the OLLI website at http://olli.fullerton.edu. If you’re interested in volunteering as an OLLI Trolley driver, please apply in the OLLI office.

By the Alphabet: CSUF Lot Availability for OLLI Members:

- Lot A: OLLI permits are valid in most of Lot A. Please check signs before parking. Do not park in Lot A-South, because this is a faculty-staff parking lot.
- Lot D: OLLI permits are NOT valid.
- Lot G: OLLI permits and daily parking permits are valid.
• Lot H: Parking is for the disabled and faculty/staff only. The four disabled parking stalls are available to qualified OLLI members. Please see Disabled Parking below.

• Lot J: available exclusively for OLLI permit holders Monday through Thursday until 6 p.m., and Friday until 5 p.m.

• Nutwood and State College Parking Structures: OLLI permits are valid.

• Eastside North and Eastside South Parking Structures: OLLI permits are NOT valid.

• Student Housing Lot and Arboretum Lot: OLLI permits are NOT valid.

Parking Enforcement
OLLI permits are not to be transferred or lent, and they should only be displayed by the member to whom the permit was issued. A parking citation will be issued to a vehicle displaying a transferred permit, and the member may lose the privilege to receive another OLLI permit, indefinitely.

If your vehicle is issued a parking citation and you wish to contest it, you may file an administrative review online at https://csufparking.t2hosted.com/Account/Portal.

Disabled Parking
OLLI members with DMV-issued disabled parking placards may park in disabled stalls located in Lot J and in Lot H (Lot H is on the immediate west side of the Ruby Gerontology Center) and in Lot G (south side, across from the OLLI Trolley stop). Members must display both their OLLI permit and their placard when parked in a disabled stall.

Visitor Parking
Hourly and daily permits may be purchased in the machines in Lots A, G, S and Arts Drive, and on levels 2, 4 and 6 of the State College Parking Structure. Visitor permits are valid in all student parking lots and structures, but are not valid in Lot J, adjacent to the RGC, or the student housing lot. Permits are not required Fridays after 5 p.m. nor on Saturdays and Sundays.

General Information
Campus parking information is available on the CSUF Parking and Transportation Services webpage at https://parking.fullerton.edu. As this Blue Book goes to press, the Parking Office remains closed to in-person transactions. Special Events Registration Policy

Who goes? How are they chosen?

Special events are open to members only. Should an event not fill by the stated deadline, non-members may register with OLLI approval.

Registration for a special event begins on a date assigned by the OLLI office. This date is approximately one week after the mailing of the ChroniCLE first announcing the event. Payments and coupons for a special event will be accepted at the time of registration. Registration forms will be entered on a first-come, first-served basis. Forms submitted by mail (post office or electronic) prior to the date of the beginning of registration will be entered at the end of the first day of registration. Once an event is full, a waiting list will be created, also on a first-come, first-served basis.

The OLLI office notifies only those individuals who could not be included in an event, and refunds their payments. If you want confirmation that you have been included on the list for an event, check the event lists posted on the bulletin board outside the OLLI office.

Refunds of payments of those who are registered for an event but are unable to attend will be made as long as no cost is incurred by the organization. A registered participant who is unable to attend an event should notify the OLLI office at least two business days before the event. If there is a waiting list for the event, a replacement will be registered from the waiting list, and a refund will be made to the participant who is unable to attend.

If you have any questions regarding the special events policy, please contact the OLLI office at 657-278-2446.

Lecture/Discussion courses and programs may include instructors, as well as guest lecturers and presenters. Presentations are generally followed by a coffee break and a “Q and A” session.

“Study” courses, such as language and literature, are enhanced by some study or work outside class.

OLLI Gives to OLLI

Please consider OLLI-CSUF as a worthy candidate for your tax-deductible charitable giving. With your gift, OLLI can continue to offer life-enriching programs to its members at a low fee. Members’ donations and bequests, together with earnings from the Osher Foundation endowments and members’ volunteer services, secure OLLI’s future programs and outreach.

Every contribution, no matter the size, is both tax-deductible and meaningful. The California State Fullerton Philanthropic Foundation (CSFPF) is the entity overseeing the university’s gifts and endowments, and the specific fund for OLLI contributions is OLLI-CSFPF.

Gift Options

- **Fund for the Future** (endowment fund): The principal of this fund grows over time with your contributions. A portion of the annual earnings of this account is transferred into the general budget, reducing membership fees. Donations may be in the form of cash, stock, or other financial gifts.

- **OLLI–Today and Tomorrow Fund**: This fund provides and supports OLLI on the CSUF campus with non-budget items not readily funded by OLLI operations. It is intended for special or major projects to enhance OLLI’s learning environment with structural, capital and refurbishing needs for today and tomorrow.

- **Computer Education Fund**: This fund is used to supplement basic support for the computer lab. Gifts to this fund help us keep abreast of advances in technology.

- **Master’s in Gerontology Scholarship Fund**: These funds provide an annual scholarship award for students enrolled in the Master’s in Gerontology program. An award is given upon recommendation of the Gerontology program and approval by the OLLI-CSUF Vice President External Relations and the appointed committee.

- **Membership Aid Fund**: This fund provides basic membership scholarships to deserving applicants to OLLI who cannot meet the membership fees. These scholarships are private, and only the Membership Scholarship Committee and the president know the recipients. Funds for this come mainly from individual donations.

- **Operating Fund**: This fund is used for ongoing operating expenses and projects for the benefit of the general membership.

- **President’s Advisory Council Fund**: This is a discretionary fund used for special projects outside the general budget. Examples are the plaques in the Shapiro Wing, memorials and recognition awards.

Programs Offered In Person and Online

The courses and activities in this catalog may be offered: 1) in person on campus; 2) via Zoom videoconference; 3) livestream through the internet or 4) a combination of in-person and online, i.e., hybrid. Hybrid classes may be either synchronous—offering both in-person and online (Zoom and/or livestream) simultaneously for participants to choose from, or non-synchronous—alternating class meetings between in-person and online meetings.

Courses offered in multiple venues are listed in the course descriptions together, divided by a slash. For example, Room 21 and Zoom and Livestream will appear as Room 21/Zoom/Stream; or Zoom and Livestream will appear as Zoom/Stream.

Links to join Zoom or livestream classes will be available from the weekly OLLI newsletters or on the OLLI website at http://olli.fullerton.edu/ under ZOOM COURSE IDs/LINKS or LIVESTREAM/RECORDINGS (members will be asked for their CSUF username and password).

OLLI’s ability to continue in-person programs will be determined by the progression of the pandemic. OLLI members’ safety and health are the priority, so those attending programs on campus may be required to be fully vaccinated and wear masks indoors. Watch OLLI’s weekly newsletters, other emailed announcements and the OLLI website for up-to-date information on COVID-19 protocols and any program cancellations or other changes in meeting times and venues.

**LITERARY ARTS**

**Book Clubs**

Like reading books and talking about life and happiness? Then these could be the groups for you. We come together for one common interest—books. Yet, in exploring the stories or history together, we will discover we have so much more in common as well. We try to find new areas to branch into each month. We may invite OLLI authors with manuscripts ready for publication. We don’t break the stories down, clinically, piece by piece. Instead, we prefer to discuss the story in general terms and how it relates to us.

There are three separate clubs to choose from: see times and locations below.

**“Genreflections” Book Club**

*Alternate Fridays • 11:30 a.m.-1 p.m. • Zoom*

Discussion leadership rotates among class participants. Join the discussion in finding deeper meaning behind the printed words. Our opening selection will be the complete book “The Street of Crocodiles” by Bruno Schulz (any Penguin Edition should be fine—at 140 pages and the same translator). ABEBooks.com and Amazon have ample used books; some library copies are available. After that, participants will continue reading selections from our wonderful anthology, “Double Features: Big Ideas in Film.” A free PDF of discussion questions is provided for all selections. The anthology may be purchased through The Great Books Foundation at 800-222-5870 or at www.greatbooks.org; or as a Kindle version through Amazon.

**LANGUAGES**

Please note: “Spanish 1” is intended for beginning students from fall through summer semesters. Our other OLLI language courses are “ongoing,” i.e., they do not “start over” every year as they may in a high school or a university setting. After a year of “Spanish 1,” students have the option of moving on to “Spanish 2” or to remain in “Spanish 1,” taking it again as a refresher course. We do not give placement tests, so newcomers to language courses are welcome to sample classes and stay with any or all courses that suit their level of proficiency.

Every Thursday • 10 a.m.-11:30 a.m. • Zoom

June 2, 9, 16, 23, 30 • July 7, 14, 21, 28 • August 4

**Prerequisite:** Instructor permission is required because seating is limited, and beginners will be given preference.

“Spanish 1” is a year-long course which starts every fall and completes classes by the end of summer. It is intended for students with little or no background in Spanish. Students will learn basic structures with repetition in listening and oral practice. Phonics will be taught so that students may read short passages and write their own sentences with familiar vocabulary. After completing “Spanish 1,” students may wish to move on to “Spanish 2.” Anyone wishing to repeat this course is welcome to do so if space is available. Our goal is to leave class every day saying something in Spanish.

**Spanish 4**

Every Monday • 1:15 p.m.-3:15 p.m. • Zoom

May (30 no class) • June 6, 13, 20, 27 • July (4 no class), 11, 18, 25 • August 1

**Prerequisite:** The ability to process directions in Spanish and to express opinions in group discussions

Students will increase fluency by engaging in dialogue and interactive activities. Topics of high interest are discussed. History and culture lessons promote vocabulary development. On an as needed basis, selected points of grammar are reviewed. Students often volunteer to present a lesson or a travelogue in Spanish. This is a win-win learning situation, since speaker preparation accelerates vocabulary acquisition, and when the audience thinks on its feet by asking questions in Spanish, this mirrors the give and take of real-life conversation. New students with some fluency may join at any time.

Dynasties, Wars and Nations: The Political Evolution of Europe From Feudalism to Monarchy to Democracy
Alternate Tuesdays • Noon-2 p.m. • Shapiro ABCD/Stream
June 7, 21 • July 5, 19 • August 2

The summer session course continues its exploration. As medieval Europe emerged from the ancient period in the ruins of the Roman Empire, the need for political stability evolved into Feudalism and Manorialism with power going to local land barons. Eventually, Feudalism collapsed into monarchies as kings belonging to powerful dynasties usurped the power of the landed nobles. These dynasties included the Tudors, Stuarts, Hapsburgs, Bourbons, Romanovs and others. Finally, beginning in England with the rise of Parliament, there was a challenge to absolute monarchy and Europeans began to identify themselves politically as members of a nation. This pattern brought about the modern nations of England, France, Spain, Germany and Russia. Each nation added its own unique variation of the same pattern. Religious, social, economic and philosophical forces also helped shape all the above. This should make your next trip to Europe more interesting.

Archaeology
Thursday, June 23 • 2:30 p.m.-3:45 p.m. • Shapiro CD/Stream
This class addresses prehistoric art. What constitutes art is difficult to define and varies from culture to culture and from one millennium to another. Prehistoric art most often appears to be social or religious communication, which is sometimes also aesthetically pleasing to observers. Humans are a visual species capable of mapping, assessing a landscape and communicating ideas, and art brings these skills together. Artistic designs, objects and painting are found throughout human prehistory, but just how ancient is it? Can archaeologists provide answers?

Our World in Change: Science, Engineering and Technology for a Realistic, Sustainable Future
Alternate Tuesdays • 1 p.m.-3 p.m. • Zoom
June 7, 21 • July 5, 19 • August 2
“The good thing about science is that it’s true whether or not you believe in it.” —Neil deGrasse Tyson

Global warming is a misnomer. Call it global climate disruption. Climate governs, so climate disruption affects the availability of water; productivity of farms, forests and fisheries; prevalence of oppressive heat and humidity; formation and dispersion of air pollutants; geography of disease; damage from storms, floods, droughts and wildfires; property losses from sea level rises; expenditures on engineered environments; and distribution and abundance of species. Our only options are mitigation, adaptation or misery. To reduce long-term misery, mitigation requires transition from fossil fuels to sustainable energy sources, which will eventually stop Earth’s ever-increasing warming. Climate change is already harming human well-being, but it will become a far larger problem for our children and grandchildren. Belief in global warming is optional, but participation is inescapable. We are all affected. We are all responsible. Group discussion is encouraged, along with questions and answers.

June 2, 9, 16, 23, (30 no class) • July 7, 14, 21, 28 • August 4

One of the main objectives for the James Webb Space Telescope (scheduled to go online this summer) is to see the formation of the first stars in the universe and shed light on how the universe developed from the Big Bang. This timely course, based on The Great Courses’ “The Big Bang and Beyond: Exploring the Early Universe” (2022) by Dr. Gary Felder, takes an eye-opening journey through time and space, revealing what’s known about the Big Bang, the expansion of the universe, the possible futures for the universe, and the important ways in which the understanding of the future of the universe has changed in the last few decades. Reviewers said, “As a non-scientist, I appreciated the professor’s staying away from the mathematics of astronomy” and “[Felder does a] stellar job of explaining complex scientific theories by employing a combination of comparisons, thought experiences, easy to understand terms, and visuals that make you say, ‘I got it!’”

Comic Books Past and Present

Alternate Thursdays • 4 p.m.-5:30 p.m. • Zoom
June 9, 23 • July 7, 21 • August 4

Did you read comics as a kid? I did, and I still enjoy them! Through art, speech bubbles and other visual cues, comics provide a unique form of storytelling that reflects who we are in hilarious, heartfelt, and sometimes cynical ways. In recent years, comics have jumped from page to film and television, and are more popular than ever! Join us as we enjoy the classics and explore newer forms of comic art, such as graphic novels and manga. At each meeting we will watch a short presentation, many from Comic-Con 2020 and 2021, then open up for discussion. Participants are encouraged to suggest their favorite comic or graphic novel for future meetings.

See you in the funny pages!

Introduction to Strategies of Poker

Every Friday • 12:30 p.m.-3:15 p.m. • Shapiro AB
June 3, 10, 17, 24 • July 1, 8, 15, 22, 29 • August 5

“Introduction to Strategies of Poker” instruction classes will be conducted for all levels of beginning poker players. Classes are taught at an easy pace by an OLLI instructor well-versed in the game of Texas Hold’em. Instruction will also include the history of poker, the rules and terminology of the game, the hierarchy of poker hands, and the strategy of betting and raising. Instruction will be conducted at special poker tables with casino type poker chips and regular 52-card decks. Following the “Introduction to Strategies of Poker” classes, beginners will be invited to play with more seasoned players in the “Strategy of Poker” course, which starts at 3:30 p.m. All players, seasoned and beginners, continue to hone their skills each week and become better players. This course is a lot of fun with a chance to socialize with fellow OLLI members who also enjoy the game of Texas Hold’em Poker.

Sports Talk
Alternate Wednesdays • 1 p.m.-3 p.m. • Room 9
June 8, 22 • July 6, 20 • August 3

Discussion of the world of sports is our game. In this course, we cover current events as well as other subjects of interest to sports fans. We are kind of like sports-talk radio but without the ranting and raving. Join us as we debate such topics as drug use in sports, famous athletes in the news, the latest trade talks of our local teams, performance of United States national teams in recent years and any variety of sports topics. It’s just like going to your favorite sports bar with your buddies—male and female—to “chew the fat” for a couple of hours about your favorite teams and players. So, drop on by and join the fun! We’ll save you a seat.

Strategy of Poker
Every Friday • 3:30 p.m.-5:30 p.m. • Shapiro ABCD
June 3, 10, 17, 24 • July 1, 8, 15, 22, 29 • August 5

Poker is a game of skill and chance emphasizing the ability to read situations and opponents to give you the advantage in the hands you play. It is also a game utilizing statistics where the better players are able to calculate the odds of either you or your opponent winning a hand in various situations. It cannot be assumed that people who utilize statistics will be winning players, but a sound knowledge of the odds can only improve your game and give you an advantage. Sophisticated players learn strategies such as bluffing and reading an opponent’s playing characteristics. Each week variations of poker will be introduced and practiced. We play games of Dealer’s Choice and Texas Hold’em. This course is a lot of fun with great camaraderie among the players. Some members go out to dinner together after class. Hope to see you there!
