Monday, October 17, Noon-1:30 p.m.

eBooks, Audiobooks, and Other Online Media
Presented by: Susan Hanna

What's Online Media?

- eBooks
  - Can be read on smartphones, tablets, or computers
  - Usually require an app
  - Can change font size, look up words, make notes, check footnotes, set bookmarks, move around the book, and more

What's Online Media?

- Audiobooks
  - Pre-recorded books that you can listen to in the car or over speakers/headphones
  - Change playback speed without changing pitch
  - Some apps synchronize audio and eBook copies (Amazon WhisperSync)
- Movies, music, podcasts, and other media

Media Apps from Libraries
