Welcome to OLLI

Welcome to our 2023-24 academic year classes and activities.

Our community of lifelong learners consists of 1,000-plus members enjoying a life enriched by intellectual, physical and social activities in a vibrant university environment.

Membership is open to retired and semi-retired adults who love learning. There are no exams, and few classes have prerequisites or require pre-registration. Instead, we offer an atmosphere that fosters mutual exploration of new or lifelong interests. Our members’ variety of personal backgrounds, occupations and areas of knowledge enriches our learning, and our lively discussions, trips and social interactions spur lasting friendships.

We offer a variety of on-campus, Zoom-only and livestreamed hybrid classes. The optimal membership experience is a “menu” of on-campus programs, supplemented by online when needed or desired. Members are first attracted by our classes but discover that OLLI’s community of lifelong learners is the greatest benefit.

This “Blue Book” catalog exhibits our strengths—the product of the collaboration among our Curriculum Committee, class coordinators, instructors, and other volunteers. An OLLI-CSUF hallmark is that instructors are not compensated. Instructors are our talented members, guest speakers, top-notch CSUF faculty, and community professionals.

OLLI-CSUF is self-supporting, yet our membership fees are remarkably low. And member parking adjacent to our building and several other campus locations is included with membership.

Thanks to our volunteer base, endowments from the Bernard Osher Foundation, and private contributions and bequests, OLLI members have the privilege—and fun—of taking as many courses as they want, most included in the membership fee.

Mike Stover, OLLI President
About Us: The Basics

Name and affiliation. OLLI-CSUF stands for Osher Lifelong Learning Institute at California State University, Fullerton. OLLI-CSUF was established in 1979 as a lifelong learning program for retired and semi-retired adults, and an integral part of CSUF operating under the guidance of Extension and International Programs.

We are affiliated with 124 other lifelong learning institutes in the United States, all affiliated with colleges and universities and funded in part by the Bernard Osher Foundation.

Location. OLLI-CSUF is located in the Ruby Gerontology Center (RGC) on Gymnasium Drive in the northeast portion of campus near the Student Housing complex and the Gastronome dining facility. GPS location reference: 800 N. State College Blvd., Fullerton, CA 92831. Mobile device map app reference: “OLLI Cal State Fullerton” or go to http://www.bit.ly/map2olli. See Page 25 or www.fullerton.edu/campusmap for a campus map.

Learning spaces. OLLI courses and activities are generally held in the classrooms, auditorium and computer lab of the Ruby Gerontology Center (RGC) on the CSUF campus or via Zoom or livestream. The RGC is the headquarters for our programs and is exceptionally well designed for the eclectic interests of OLLI’s learners. For example, our Shapiro Wing area, with moveable walls, can be divided into as many as four classrooms, becoming a concert space, a painting studio and financial planning workshop, all in one day.

We also use some nearby campus locations within a short walk, and may hold courses at off-campus locations in the area.

Membership requirements. Anyone retired or semi-retired may join. Members from all backgrounds are welcome; neither a college education nor previous association with the university is a prerequisite for membership. The only requirement is a desire to learn. Curiosity never retires!

Homework? Grades?
Courses typically have no homework or grades as you may remember them. There are a few courses—in areas such as photography, language, literature and book discussions—where some optional work or study outside of class will substantially enhance your learning. Except for computer courses and a few others, no pre-registration is required. Just show up, make friends and learn!

Membership includes a campus parking permit and the following:
- Library access and checkout privileges.
- Use of the campus Wi-Fi network.
- Admission for two to most CSUF-sponsored athletic events.
- Auditing CSUF courses with no tuition cost on a space-available basis with instructor’s permission.
- Discounts to many CSUF events.

Note: The above membership privileges are subject to modification by campus administration.

OLLI Governance
OLLI-CSUF is a volunteer organization, guided by a Board of Trustees elected annually from the membership by the membership. The Board is responsible for OLLI’s curriculum, finances, events and operation within university guidelines.
and its relationship with Extension and International Programs (EIP). General meetings of OLLI members are held several times a year to conduct business, convey information and provide a forum for member exchange and feedback. Board meetings and those of other major committees are open to members and listed in Committee Meetings in the back of this catalog.

Joining / Registration / Fees

Membership registration and renewal is only available online through the OLLI website: http://olli.fullerton.edu, select JOIN/RENEW. For those needing assistance with the online process, help is available in the OLLI office, Room 7 at OLLI’s Ruby Gerontology Center (or call 657-278-2446), open Monday through Friday from 8:30 a.m. to 4 p.m., except holidays.

Renewing members must have their CSUF username and password to renew online. If you cannot find your CSUF username and password or have not created it, please come into the OLLI office to obtain your campus-wide identification number (CWID) and PIN. Then go to the OLLI website and click on “STUDENT PORTAL ACCOUNT” under “MORE INFORMATION” and follow the instructions.

Whether a new or renewing member, it is important that you add your personal email address on the online registration form. This email address will be used for all future communications from OLLI. The system will prompt you for information and payment by asking for your credit card information, or you can pay by electronic check.

Membership/enrollment fee is:

- Full Year (Fall, Spring and Summer): $275;
- Fall or Spring Semester Only: $160;
- Spring and Summer: $200;
- Summer Only: $90

Membership fees cover a campus parking and admission to all classes.

Note: A few classes may have limited enrollment, due to space or equipment considerations (e.g., some computer classes), and if so, early sign-up will be advised.

Fees also cover participation in other OLLI-CSUF activities, with the exception of some activities for which special expenses are passed on at the lowest possible cost. These include computer education, special events, trips and some special activity classes as specified in this booklet.

Other Fee-Related Items

Reservation forms for special programs or social activities are posted on the OLLI website and included in the monthly OLLI ChroniCLE newsletter, which will be emailed or mailed to you per your preference. Payment is required when reservations are made. Refunds are given until the deadline specified on the form, and thereafter if a substitute is found for the reservation-holder.

Scholarships: Scholarships for membership are available for those having financial hardships. Applications can be requested through the OLLI office by phone (657-278-2446) or by sending an email to olli-info@fullerton.edu. Applications must be received five weeks prior to the fall or spring semester. Each applicant will be contacted to set up an interview with the committee shortly after the application due date.

Schedule of Classes and Events

This Blue Book program catalog includes the descriptions of all programs that may be offered during the 2023-2024 academic year, but it does not show meeting schedules. Each description indicates which semester(s) it may be offered and how often during the semester. This scheduling is subject to change and some programs may not be offered during this academic year. A Schedule of Classes and Events is distributed separately to all OLLI members prior to each semester and is available on the OLLI website under VIEW CURRENT CATALOG. It lists all programs offered during that semester and each program’s meeting dates, times and venues. It also lists special requirements, if applicable, such as pre-registration, fees and textbooks.

Auditing Cal State Fullerton Courses

One of the most valuable OLLI benefits is the privilege to audit any CSUF course, free of any tuition fees, with the instructor’s permission and approval from the OLLI office. OLLI members don’t receive any official, academic credit from the University, but they enjoy the benefit of a world-class education, participating with University students. This privilege is not available during the summer session.

Go to the OLLI website at http://olli.fullerton.edu and click on AUDITING CLASSES for step-by-step instructions to enroll through OLLI. This webpage provides links to the CSUF course catalog and schedule of classes for each semester. You will be asked to complete a form and submit it to the OLLI office, who will obtain instructor approval to attend your course(s) of choice. If approved, you will receive confirmation from the instructor, and later, information on how to access the class.

“OLLI is a place for senior adults to engage in a diverse, intellectually stimulating, and socially rewarding community of lifelong learners from all walks of life. In this “neighborhood,” acquaintances become friends based on compatible and contrasting interests, life experiences and personalities.”

-Mike Stover
Commitment to Positive Member Experiences

We want all OLLI members to have the best possible experiences at our classes, programs and special events regardless of any differences in gender, heritage, abilities or political ideology. The OLLI leadership and staff are intent on helping you understand the expectations about standards of behavior. These are important to maintaining the high quality of OLLI as a community of learners in a variety of settings that promote learning while also providing for the respectful, open exchange of ideas.

We urge all members to become familiar with and to practice the standards in two adopted policies. OLLI’s Ethical Environment Policy (Policy 2.6) supports an environment that is free of discrimination and harassment by incorporating the University’s Policy Statement 100.006, fostering a climate of civility. That includes displaying respect for others and engaging in respectful discourse on diverse ideas. Please review these policies at http://olli.fullerton.edu (click on GOVERNING DOCUMENTS) and keep them in mind throughout your time at OLLI activities. Per the OLLI policy, any related grievances or incidents should be reported immediately to any OLLI officer or to the OLLI Administrative Manager. In cases of egregious acts (thankfully rare), OLLI may assess sanctions up to and including suspension or termination of membership.

OLLI Website: Everything You Need to Know about What’s Going on at OLLI

The dates, times and places of classes and events are subject to change or cancellation. OLLI members are notified via email or the weekly OLLI newsletters, and the calendar on the electronic bulletin board in the Shapiro Wing is updated. The up-to-date calendar of the whole semester is always available on the OLLI website at http://olli.fullerton.edu. Select the CALENDARS tab to view today’s calendar or the whole semester’s activities by week or month. The CLASSES/ACTIVITIES tab often has more information about courses and activities than is included in the Blue Book.

The OLLI website contains a wealth of other information about OLLI, from its history to who heads up OLLI’s operational areas, committees and teams. The website describes how to support OLLI, either by donating or volunteering; how to become a member or renew your membership; how to access forms and register for computer courses, trips and special events; how to gain access to the CSUF Wi-Fi and student portal; how to audit CSUF courses … and much more.

A shortcut can be created on a smartphone, tablet or computer to access the OLLI website. On the home page under the MORE INFORMATION column, click on OLLI ON YOUR PHONE/TABLET.

Distance Learning Program

OLLI members may have days when they can’t get to campus, when parking availability is difficult or when their favorite classes are running concurrently, forcing them to miss a class. Selected classes are recorded and archived on the OLLI website for members to stream online at their leisure. Many videos are currently available to watch, and more are added each week. To access the video collection go to the OLLI website at http://olli.fullerton.edu and click on LIVESTREAM/RECORDINGS under MORE INFORMATION on the home page.
Attending Live Programs Online
OLLI uses both the Zoom app and livestreaming through the internet to deliver some courses, committee meetings and events online as an in-person alternative. The links to join these programs can be obtained from OLLI’s weekly Class Information and Updates Newsletter or from the OLLI website under ZOOM COURSE IDs/LINKS or LIVESTREAM/RECORDINGS (you’ll need your CSUF username and password).

To attend a Zoom program, an account is recommended but not required. Anyone can attend by using their laptop or desktop (Windows or Mac), tablet or smartphone (Apple or Android), or regular telephone. However, be sure to use your full name when signing in to facilitate taking attendance. If you haven’t used Zoom before, leave about 10 minutes to set it up before your first use. If you use a laptop or desktop, the first time you click on a link, it will ask you to download a free Zoom app on your computer. If you are planning to use a tablet or smartphone, you’ll want to download the free Zoom app (“Zoom Cloud Meetings”) from your app store. More information and sources for help with Zoom are available on the OLLI website under ZOOM HELP.

Livestreaming is similar to Zoom, except you don’t need an app—you just need access to the internet. Clicking on the livestream link takes you to a webpage where you choose the current meeting from a list. Unlike Zoom, you will not see the other attendees and the instructor can’t see or hear you, but you can type a message into the chat box. All livestreamed classes are recorded and available to view after the meeting. For more information on livestreaming see OLLI Livestreaming FAQs. An informational video and class recordings are on the OLLI website under LIVESTREAM/RECORDINGS.

OLLI in the University Community

OLLI at Cal State Fullerton began in 1978 with an idea by Betty Robertson, then Director of Community and Outreach Programs in the Office of Extended Education, now titled Extension and International Programs (EIP). Betty proposed an outreach program in which members would pay their own way and be volunteers in developing their own organization—a program of, by and for retirees. In September 1979 the Continuing Learning Experience (CLE), now known as the Osher Lifelong Learning Institute (OLLI), commenced classes on campus with 40 members.

Volunteering in the University Community. OLLI-CSUF’s retirement model includes volunteerism as a core element—not only in instructing or coordinating OLLI’s programs, serving on committees and administering OLLI on the Board of Trustees—but also in supporting the wider University community. Cal State Fullerton welcomes OLLI members’ involvement in campus programs as individuals and as part of OLLI-organized programs. Nothing exemplifies this more than the OLLI-CSUF Collaboration Program (see the next section). Members also contribute many hours, in addition to monetary donations, in support of CSUF programs including Art Alliance, Friends of the Fullerton Arboretum, Music Associates, Patrons of the Library and others.

Age-Friendly University. In 2021 CSUF was officially designated an “Age-Friendly University” for its comprehensive programs for older adults. In addition to its support of OLLI, CSUF provides the Aging Studies academic program, the Fibromyalgia and Chronic Pain Center, the Robust Aging Program and the Center for Successful Aging.
The Robust Aging Program, sponsored by the School of Nursing, provides a health assessment; blood pressure check; height, weight and body mass index measurement; and basic first aid for OLLI members at no cost during certain days and hours in Room 18C of the Ruby Gerontology Center. See the clinic’s schedule at https://rapclinic.weebly.com/.

The Center for Successful Aging provides wellness support for OLLI members and other seniors in the community. Courses are offered promoting physical activity and reducing sedentary behavior. Popular with OLLI members, “Fit 4 Life,” “NeuroFit” and other programs offer medically supervised fitness training and exercise, meeting twice a week in the Department of Kinesiology building. These are not OLLI courses. Each course charges a fee per semester, but CSUF student enrollment is not required. For more information go to http://csa.fullerton.edu/programs/index.php or call 657-278-2603.

OLLI-CSUF Collaboration
OLLI + CSUF students + Faculty = Collaboration

Through the OLLI-CSUF Collaboration program, OLLI members share their life experiences and skills with members of the university community—to the benefit of all.

Opportunities include tutoring, mentoring, evaluating and sharing expertise with CSUF classes and individuals in both academic and career/professional pursuits. CSUF students and faculty benefit from our members’ accumulated knowledge and wisdom, and OLLI members enjoy the intellectual stimulation, the opportunity to remain productive and “giving back” to the community.

Learn how to get involved under Other Activities in this booklet, and on our website at http://olli.fullerton.edu under the VOLUNTEER tab.

Transitions in Retirement
Programs for the newly retired and almost-retired

New retirees or those approaching retirement have a special place at OLLI. Transitions in Retirement (TiR) is a series of programs for persons preparing for this next phase of their lives. Whether still working or not, you may not have enough weekday time to benefit from all OLLI courses. Transitions in Retirement addresses that with classes more to your convenience on weekends and during early morning, late afternoon and evening hours.

“Transitions in Retirement Essentials” classes on Saturday mornings during the fall and spring semesters are open to the public at no charge. This gives you a chance to sample what OLLI has to offer. Topics cover a wide range, from financial planning to health issues. Other TiR classes do require OLLI-CSUF membership. TiR offerings are specially marked in our course listings, and you can read more about our program on our website at http://olli.fullerton.edu under Transitions in Retirement on the home page.
Around and About OLLI

Parking privileges. A 24/7 virtual parking permit is included at no additional charge with your OLLI membership. OLLI parking permits are valid in certain parking lots and structures on campus. For specifics on where and where not to park, see the Parking & OLLI Trolley Information section.

Can I eat in or near OLLI?

Yes! Eating with other OLLI members is a good way to become acquainted. When members bring their lunches, they usually have company in the patio near the kitchen or at a table in the courtyard. Lunches may be stored in the kitchen refrigerator in Shapiro Wing A, but must be removed by Friday of each week. In addition, sack lunches may be taken on bus trips when special luncheon arrangements have not been made.

Within a two-minute walk are several other eating or snacking opportunities:

The CSUF Gastronome, an all-you-can-eat buffet for one price, serves fresh, wholesome, cooked-from-scratch and prepared-to-order meals throughout the day.

The CSUF Community Market, directly across from the Gastronome, stocks a wide array of packaged snacks and fresh produce, hot and cold beverages, foods and sundries.

The Titan Student Union, several minutes away, provides a selection of fast-food (some healthy) franchises and other options; see http://asi.fullerton.edu/titan-student-union#Food for details. While you’re in that neighborhood, you can also shop at the bookstore or Titan Shops or do some banking at the ATMs or SchoolsFirst Credit Union.

Some campus food providers may offer a 10% discount if you show your current OLLI membership card (this discount is subject to change or elimination at any time).

OLLI Office

The OLLI office is in RGC Room 7 (see map on Page 26). It is open weekdays from 8:30 a.m. until 4 p.m. Campus holidays are observed. (See apps.fullerton.edu/AcademicCalendar/default.aspx.)

The office phone number is 657-278-2446, and OLLI’s general information email is olli-info@fullerton.edu.

Staff members are Patsy Burns (Manager, Administration), Celia Reynolds (Administrative Assistant), Michelle Sanford (Administrative Assistant) and Ying Lu (Accounting Assistant).

Other

Restrooms are located on the north end of the RGC courtyard, outside on either side of Mackey Auditorium, and in the southeast corner of the RGC, indoors and adjacent to the main entrance to the Shapiro Wing.
**In-Person Attendance Guidelines**

OLLI members are not required to wear face masks on campus, even when indoors. OLLI members may choose for themselves whether to wear or not wear masks when indoors or outdoors and are urged to exercise caution if coming onto campus maskless. For all the current attendance guidelines and COVID protocols go to the OLLI website at http://olli.fullerton.edu/classes/covid-19.php.

**Parking & OLLI Trolley Information**

Please consult the campus parking map following this section for parking locations. OLLI-CSUF members may park in some CSUF student lots and parking structures as listed below. All members are issued virtual parking permits, and parking is monitored electronically. Hang tag permits are no longer used on the CSUF campus.

**Lot J**, adjacent to the Ruby Gerontology Center (east side), is available exclusively for OLLI permit holders Monday through Thursday until 6 p.m., and Friday until 5 p.m. Lot J is particularly convenient for our members with mobility concerns, so we ask that you keep this in mind when considering where to park.

**When Lot J is full, Lots G and A** provide a pleasant walk. An OLLI Trolley ride to the RGC is available during published days and hours. **Lot G** is located on the SW corner of Associated Road and Yorba Linda Blvd next to Goodwin Field. **Lot A** is located on the SE corner of Yorba Linda Blvd. and State College Blvd.

Do not park in the Arboretum parking lot, even if your class is held at the Arboretum (such as Longevity Stick and Tai Chi). If you have an OLLI class at the Arboretum, park in **Lot G**. Arboretum parking space is very limited. Continued parking there by OLLI members could result in the loss of access to this wonderful facility for OLLI classes.

**OLLI Trolley.** The OLLI Trolley is available during spring and fall semesters (no summer service) to transport members between Lots G and A and the RGC, although many members prefer to walk. See the OLLI Trolley operating times under PARKING AND OLLI TROLLEY on the OLLI website at http://olli.fullerton.edu. If you’re interested in volunteering as an OLLI Trolley driver, please apply in the OLLI office.

**By the Alphabet: CSUF Lot Availability for OLLI Members:**

- Lot A: OLLI permits are valid in most of Lot A. Please check signs before parking. Do not park in Lot A-South, because this is a faculty-staff parking lot.
- Lot D: OLLI permits are NOT valid.
- Lot G: OLLI permits and daily parking permits are valid.
- Lot H: Parking is for the disabled and faculty/staff only. The four disabled parking stalls are available to qualified OLLI members. Please see Disabled Parking below.
- Lot J: available exclusively for OLLI permit holders Monday through Thursday until 6 p.m., and Friday until 5 p.m.
• Nutwood and State College Parking Structures: OLLI permits are valid.
• Eastside North and Eastside South Parking Structures: OLLI permits are NOT valid.
• Student Housing Lot and Arboretum Lot: OLLI permits are NOT valid.

**Parking Enforcement**
OLLI permits are registered by each member’s automobile license plate and cannot transferred or lent. A parking citation will be issued to a vehicle that is not registered with a virtual parking permit, and the member may lose the privilege to receive another OLLI permit, indefinitely.

If your vehicle is issued a parking citation and you wish to contest it, you may file an administrative review online at https://csufparking.t2hosted.com/Account/Portal.

**Disabled Parking**
OLLI members with DMV-issued disabled parking placards may park in disabled stalls located in Lot J and in Lot H (Lot H is on the immediate west side of the Ruby Gerontology Center) and in Lot G (south side, across from the OLLI Trolley stop). Members must display their placard when parked in a disabled stall.

**Visitor Parking**
Single-day, virtual parking permits (currently $10.00) may be purchased through the Park Mobile app on your cellphone (credit cards only) at http://parkmobile.io/. Physical paper parking permits, which were previously purchased through vending kiosks, are no longer issued. Visitor permits are valid in all student parking lots and structures, but are not valid in Lot J, adjacent to the RGC, nor the student housing lot. Permits are not required Fridays after 5 p.m. nor on Saturdays and Sundays.

**General Information**
Campus parking information is available on the CSUF Parking and Transportation Services webpage at https://parking.fullerton.edu. OLLI members may call the Parking Office at 657-278-3082, or visit the walk-up window Monday through Friday, between the hours of 8 a.m. and 5 p.m., or send an email to parking@fullerton.edu.

“In addition to friendship, OLLI has given me purpose. I feel valued here. I can use my teaching skills with people who, like me, still want to learn.”

-Mary Sampson
Note: OLLI parking is prohibited in the Student Housing Parking Lot.
**Special Events Registration Policy**

**Who goes? How are they chosen?**

Special events are open to members only. Should an event not fill by the stated deadline, non-members may register with OLLI approval.

Registration for a special event begins on a date assigned by the OLLI office. This date is approximately one week after the mailing of the ChroniCLE first announcing the event. Payments and coupons for a special event will be accepted at the time of registration. Registration forms will be entered on a first-come, first-served basis. Forms submitted by mail (post office or electronic) prior to the date of the beginning of registration will be entered at the end of the first day of registration. Once an event is full, a waiting list will be created, also on a first-come, first-served basis.

The OLLI office notifies only those individuals who could not be included in an event, and refunds their payments. If you want confirmation that you have been included on the list for an event, check the event lists posted on the bulletin board outside the OLLI office.

Refunds of payments of those who are registered for an event but are unable to attend will be made as long as no cost is incurred by the organization. A registered participant who is unable to attend an event should notify the OLLI office at least two business days before the event. If there is a waiting list for the event, a replacement will be registered from the waiting list, and a refund will be made to the participant who is unable to attend.

If you have any questions regarding the special events policy, please contact the OLLI office at 657-278-2446.

**Notes on Curriculum / Format / Frequency**

Programs fall into these general categories: The Arts; Languages; Economics, Humanities and Social Sciences; Healthy Living; Science; Technology; and Special Interest Groups and Social Programs. OLLI’s Curriculum Committee considers member requests in the planning of each semester’s offerings.

Class formats include those in which members learn from each other, as well as guest lecturers such as community leaders, university professors and other leading authorities. All courses and programs are coordinated by OLLI members.

**Lecture/Discussion courses and programs** may include instructors as well as guest lecturers and presenters. Presentations are generally followed by a coffee break and a “Q and A” session.

**“Study” courses**, such as language and literature, are enhanced by some study or work outside class.

**Frequency** varies, so be sure to check the Schedule of Classes and Events for class meeting times, days and dates.

**Other programs** include special events, field trips and other activities, some of which require a modest payment.

OLLI Gives to OLLI

Please consider OLLI-CSUF as a worthy candidate for your tax-deductible charitable giving. With your gift, OLLI can continue to offer life-enriching programs to its members at a low fee. Members’ donations and bequests, together with earnings from the Osher Foundation endowments and members’ volunteer services, secure OLLI’s future programs and outreach.

Every contribution, no matter the size, is both tax-deductible and meaningful.

The California State Fullerton Philanthropic Foundation (CSFPF) is the entity overseeing the university’s gifts and endowments, and the specific fund for OLLI contributions is OLLI-CSFPF.

Gift Options

- **Fund for the Future** (endowment fund): The principal of this fund grows over time with your contributions. A portion of the annual earnings of this account is transferred into the general budget, reducing membership fees. Donations may be in the form of cash, stock, or other financial gifts.

These scholarships are private, and only the Membership Scholarship Committee and the president know the recipients. Funds for this come mainly from individual donations.

- **Operating Fund**: This fund is used for ongoing operating expenses and projects for the benefit of the general membership.

- **President’s Advisory Council Fund**: This is a discretionary fund used for special projects outside the general budget. Examples are the plaques in the Shapiro Wing, memorials and recognition awards.

Art Exhibitions on Screen
Alternate Weeks • Summer
Art Exhibitions are back again—with more great artists, great paintings and great guides! What could be a better way to learn? Come and join us on virtual visits to art exhibitions across the globe, spanning works from various eras and artistic styles. High quality films from the “Exhibition on Screen” series will be shown. You may even catch a glimpse of the canals of Amsterdam or the flower fields of Provence. These exhibition-based art films originally ran in select theaters around the world. Film content usually focuses on a single artist, at a single exhibition, with relevant background and supporting works added. Art historians and exhibit curators lead the way. Gentle attention is given to key works. Join in the open discussion after the film. Please check the OLLI newsletters for the specific film to be shown at each class.

If you like going to the movies, this program is something to look forward to every week. Check the OLLI newsletters for information on each week’s film. “OLLI has brought me warm friendships, laughter, thought-provoking discussions and the opportunity to get to know many highly talented individuals. Sharing travel experiences, day trip ventures, honing my limited computer skills, book discussions, music, films, gardening tips, financial advice and guest lectures on a wide variety of topics are just some of the ways OLLI has enriched my life.”

-Monica Broome
LITERARY ARTS

Authors’ Central OLLI-CSUF (ACOC)
Alternate Weeks • Fall, spring and summer
ACOC encourages authors and prospective authors to pool resources to promote their books and publications. Authors will participate in marketing, organizing promotional events, issuing press releases, collaborating in research and training, creating articles for and maintaining social media, applying guerrilla marketing and more. Book signings and readings are scheduled each semester. Publishing assistance is available.

Coordinators: Fritz von Coelln and Bob Kovacev
Tech Coordinator: Fritz von Coelln

Book Clubs
Like reading books and talking about life and happiness? Then these could be the groups for you. We come together for one common interest—books. Yet, in exploring the stories or history together, we will discover we have so much more in common as well. We try to find new areas to branch into each month. We may invite OLLI authors with manuscripts ready for publication. We don’t break the stories down clinically, piece by piece. Instead, we prefer to discuss the story in general terms and how it relates to us. There are four separate clubs to choose from—see below.

“Genreflections” Book Club
Alternate Weeks • Fall, spring and summer
This course is for those who enjoy reading and discussing fiction. We will explore a variety of novels representing various genres, such as travel fiction, historical fiction, coming-of-age fiction and domestic fiction. The first book will be selected prior to the first meeting of class and included in the schedule of classes provided prior to each class semester. Books for the remainder of the course will be determined by the class attendees during the first meeting.

Instructor/Coordinator: Andrea Tarr    Tech Coordinator: Rosalind Charles

Graphic Novels, Comics and More!
Alternate Weeks • Fall, spring and summer
Did you know that a graphic novel is just as popular and challenging as a traditional book? They tell stories that can be long or short, fiction or non-fiction, and cover a wide range of topics, including history, science, social justice, science fiction and fantasy. Each session, our book club reads and discusses a graphic novel, and sometimes a popular comic, relating it to current social and societal issues, or just enjoying the beautiful artwork and humor.

Instructor: Dr. Barbara Glaeser
Coordinator/Tech Coordinator: Jill Patterson
Kitty’s Book Club
Alternate Weeks • Fall, spring and summer
Our Book Club loves exploring different themes in discussing fiction books. Our members generate the list of books we read prior to the first meeting of the semester. You will find the book selection in the OLLI Class Information and Updates Newsletter provided prior to each class.

Coordinators: Lisa Sewell and Juanita Driskell
Tech Coordinator: David Wilkinson

Mystery Book Club
Alternate Weeks • Fall, spring and summer
Mystery Books is a category of reading that is well established by the reading public. Authors such as Agatha Christie and characters such as Sherlock Holmes and Miss Marple are well known. Mystery Books are so popular that they have separate awards for excellence, humor etc. The OLLI Mystery Book Club meets and discusses a mystery book selected by Club members. You’ll find the first two book selections in the schedule of classes provided prior to each class semester. Please read these selections before our first meeting. Subsequent book selections will be determined during the first meeting.

Coordinators: Patrick Boyle and Sandy Potter

Great Books
Alternate Weeks • Fall, spring and summer
This course explores literature recommended by the Great Books Foundation. The group is made up of individuals who love to read and partake in lively dialogues. Discussion leadership rotates among class participants. Join the lively discussions in finding deeper meaning behind the printed words. Each semester will begin by discussing a complete book (such as “Howards End” by E. M. Forster or “The Prince” by Niccolo Machiavelli). After that, each class will discuss a selection from a Great Books anthology (such as “Great Conversations 3” or “Taking Action”). Discussion Questions from The Great Books Foundation will be available for all selections. Selections will be described in Newsletters. Please read the selection before each class. Come and try a class—you may be pleasantly surprised!

The summer session will use Zoom and will feature lectures available on DVD to explain how to better appreciate Shakespeare and spotlight themes in his plays.

Please note: “French 1” and “Spanish 1” are intended for beginning students from fall through summer semesters. Our other OLLI language courses are “ongoing,” i.e., they do not “start over” every year as they may in a high school or a university setting. After a year of “French 1” or “Spanish 1” students have the option of moving on to “French 2” or “Spanish 2” or repeating “French 1” or “Spanish 1” as a refresher course. We do not give placement tests, so newcomers to language courses are welcome to sample classes and stay with any or all courses that suit their level of proficiency.

French 1
Weekly • Fall and spring
“French 1” is for beginners who have little or no French language skills. Many French people in tourist areas speak English, so why study French? Because demonstrating appreciation for their culture and a minimum of acquaintance with their language will put smiles on their faces and make your trip to a French-speaking country even more pleasurable. The course will emphasize good pronunciation and introduce key vocabulary and common expressions as well as basic grammar to help you to speak respectfully while enjoying exposure to and participation in French culture. Teaching with Zoom for language study brings the sounds and sights of the new language and culture directly into your own environment and allows for easy participation in class exercises. For students who have previously attended the class, we will be starting with a brief review over the first weeks of units covered in spring 2023, and will then move forward to new material. The coursework will be appropriate for both beginners and students who have attended the class previously.

French 2
Weekly • Fall and spring
In this course we will review and expand your acquaintance with basic French vocabulary and structure. The emphasis will be on good pronunciation and culture so you can feel at ease while enjoying—and contributing to—easy conversations in a francophone environment. We will rely on videos made in France rather than on a traditional textbook because teaching with Zoom has two big advantages for language study: a) it brings the sounds and sights of the new culture into our own environment and b) it allows for participant-to-participant conversations in breakout rooms.

Instructor: Barbara Vigano   Coordinator: Joan Hinshaw

French 3
Weekly • Fall and spring
Prerequisite: Some previous study of French or equivalent
The three goals of this intermediate level course are: a) to emphasize exposure to authentic French culture; b) to increase our knowledge of French vocabulary and grammatical structures and c) to practice conversation. We will rely on videos made in France rather than on a traditional textbook because learning with Zoom has two big advantages for language study: a) it brings the sounds and sights of the new culture into our own environment and b) it allows participant-to-participant conversations in breakout rooms. Therefore, our two-hour Zoom meetings will consist of three parts: a) a video lesson, coming to us from France, integrating vocabulary, grammar and culture; b) practice speaking French in groups of two or three participants in Zoom breakout rooms; and c) biweekly discussion of intermediate level texts previously sent by email to all participants.

Instructor: Barbara Vigano

German
Weekly • Fall, spring and summer
Guten Tag und Herzlich Willkommen in der Deutschklasse!

This on-going German course is centered on increasing fluency, expanding vocabulary and deepening the knowledge of grammar and structures. German culture, history, politics, way of life and relevant topics are common themes in the course. Authentic texts, movies, videos and German visitors add to the real-life atmosphere of the course. Handouts—provided by the instructor—will take the place of a textbook. Whether you want to expand your knowledge of German, travel to Germany or any other German speaking country, or you just have an interest in learning about a great world culture, this OLLI German course is right for you. While many in the course have been taking it for some time, we will also target lessons so that beginners should be able to follow along and make strides in their German competence.

Instructor: Don Bradley   Coordinators: Ken Luke and Richard Zawilski

Spanish 1
Weekly • Fall, spring and summer
Prerequisite: Please check with the instructor when joining the class for the first time. This class is geared for beginners, but, in practice, students with some previous study or exposure to Spanish also join and discover that lessons for beginning students also refresh memories and provide needed practice.

“Spanish 1” is a year-long course which starts anew every fall, becomes more complex in the spring, and then the summer classes round out the curriculum. In the beginning, students will learn basic sentence structures with listening and oral practice. Phonics will be taught for reading, and eventually for use in writing short passages with familiar vocabulary. After completing “Spanish 1,” students may wish to move on to “Spanish 2.” Anyone who chooses to repeat this course is welcome to do so if space is available for beginners. Our goal is to lay a good foundation for learning Spanish and to leave every class session saying goodbye plus a new phrase in Spanish.

Instructor: Marjorie Mota   Coordinator: Jackie Ryan

Spanish 2
Weekly • Fall and spring
This course is designed as a bridge between “Spanish 1” and the other Spanish courses currently being offered. The course is intended for students who have already had an introduction to Spanish. It will present more of the grammar rules and focus primarily on the preterit, imperfect and future tenses. This course will “start over” each fall, continuing to present the preterit, imperfect and future tenses. It will be taught in Spanish and English with a focus on members becoming comfortable and confident in speaking Spanish.

Textbook (optional): “Easy Spanish STEP-BY-STEP” by Barbara Bregstein. The cost on Amazon is around $10. If the student can’t afford it, the instructor will provide the textbook

Instructor: Elizabeth Vanegaspou   Coordinator: Carolyn Mendoza
Spanish 3: Grammar
Weekly • Fall and spring

Prerequisite: “Spanish 1” and “Spanish 2” or some knowledge of conversational Spanish

This course is for those who have studied Spanish in the past and wish to continue building their knowledge of vocabulary and grammar. It presumes an acquaintance with present, past and future tenses. The focus of the course is on intermediate level grammar skills to increase the understanding of written and spoken Spanish, and to improve the ability to speak Spanish. The course is taught in a mixture of Spanish and English.

Instructor: TBD   Coordinator: Gene Hiegel

Spanish 4
Weekly • Fall and spring

Prerequisite: The ability to process directions in Spanish and to express opinions in group discussions

Students will increase fluency by engaging in dialogue and interactive activities. Topics of high interest are discussed. History and culture lessons promote vocabulary development. On an as-needed basis, selected points of grammar are reviewed. Students often volunteer to present a lesson or a travelog in Spanish. This is a win-win learning situation, since speaker preparation accelerates vocabulary acquisition and, when the audience thinks on its feet by asking questions in Spanish, it mirrors the give and take of real-life conversation. New students with some fluency may join at any time.

Instructor/Coordinator: TBD

Spanish Stories Talk
Alternate Weeks • Fall and spring

The purpose of this course is to provide an opportunity to improve the participants’ Spanish vocabulary as well as their verbal delivery while discussing short stories in Spanish. Discussion leadership rotates among class participants. The course is conducted in Spanish, and new students with sufficient fluency may join at any time.

Topics include: From Birth to Death—Religious Rituals; Polytheism, Dualism and Monotheism; Sacred Texts—The Bible and the Qur’an; Sacred Texts for Hindus and Buddhists; Ritual Sacrifice in the World Religions; and The Problems of Sin and Forgetfulness. Gender, Sex and Society (New)
Alternate Weeks • Fall
In this course, we will cover LGBTQA+ vocabulary and history and explore and discuss current issues surrounding gender and sexuality. When most of us grew up, life was simple: You were a boy or a girl, and you would grow up to marry someone of the opposite sex. Anything that deviated from that was, well, deviant. Today, there is a whole new vocabulary, with flags and letters and flow charts, to describe the complexity of gender and relationship identities. What does it all mean? What makes us uncomfortable, what makes us curious or even hopeful and why? The course will combine videos and lectures with open discussion and plenty of time for questions and curiosity.

Instructor/Coordinator: Ginger Barnhart
Great Decisions
Alternate Weeks • Fall and spring
Using the Foreign Policy Association’s 2023 edition booklet and videos, we will explore these topics: Politics in Latin America; Global Famine; Iran at a Crossroads; and Climate Migration. Each class begins with a video followed by a round table discussion. If you have an interest in U.S. foreign policy issues, please join our like-minded group. Differing views and opinions are encouraged. Outside reading can help. Class members may also bring in additional reports and related study materials to share with the class.

**World War II: What Happened? Why?**

Alternate Weeks • Fall and spring

Today’s world can best be understood by viewing it through the lens of World War II. That war was the dominant event of the 20th century. It and its echoes determined the borders and form of government of most countries in today’s world, and it continues as a powerful force to the present day. The course will have:

- In-depth original material to provide understanding of critical events, including what and why things happened as they did.
- High quality historical videos.
- A limited amount of material from other sources on World War II to establish context for in-depth topics and serve as a summary presentation of events that don’t receive in-depth treatment.

HEALTHY LIVING

Arboretum and/or Campus Walk
Twice Weekly • Fall and spring
Join other OLLI members for a morning walk from our RGC courtyard through the Arboretum and back. Sustained walking for a minimum of 30 to 60 minutes a day, five days a week (with the correct walking posture) reduces health risks and has overall health benefits. These include reducing the risk of cancer, type 2 diabetes, heart disease, anxiety, depression and osteoporosis, as well as increasing HDL (good cholesterol) and reducing LDL (bad cholesterol) levels. Life expectancy is also likely to be enhanced even for individuals suffering from obesity or high blood pressure. Studies have shown that walking may also reduce the risk of dementia and Alzheimer’s. This is a self-pacing class.

Our World in Change: Science, Engineering and Technology for a Realistic, Sustainable Future
Alternate Weeks • Fall and spring
“The good thing about science is that it’s true whether or not you believe in it.”—Neil deGrasse Tyson

Global warming is a misnomer. Call it global climate disruption. Climate governs, so climate disruption affects the availability of water; productivity of farms, forests and fisheries; prevalence of oppressive heat and humidity; formation and dispersion of air pollutants; geography of disease; damage from storms, floods, droughts and wildfires; property losses from sea-level rises; expenditures on engineered environments; and distribution and abundance of species. Our only options are mitigation, adaptation or misery. To reduce long-term misery, mitigation requires transition from fossil fuels to sustainable energy sources, which will eventually stop Earth’s ever-increasing warming. Climate change is already harming human well-being but it will become a far larger problem for our children and grandchildren. Belief in global warming is optional but participation is inescapable. Climate is global. We are all affected. We are all responsible.

Strategy of Poker
Weekly • Fall, spring and summer
Poker is a game of skill and chance emphasizing the ability to read situations and opponents to give you the advantage in the hands you play. It is also a game utilizing statistics where the better players are able to calculate the odds of you or your opponent winning a hand in various situations. It cannot be assumed that people who utilize statistics will be winning players, but a sound knowledge of the odds can only improve your game and give you an advantage. Sophisticated players learn strategies such as bluffing and reading an opponent’s playing characteristics. Each week, variations of poker will be introduced and practiced. We play games of Dealer’s Choice and Texas Hold’em. This course is a lot of fun with great camaraderie among the players. Some members go out to dinner together after class. Hope to see you there!
