

Welcome to our 2024 Open House! We're so glad you're here.

Since we have been serving semi-retired and retired members for more than 45 years, we know you'll find something interesting in our curriculum.

We offer more than 100 courses and activities, including specially designed classes for new or prospective retirees. We also have a highly acclaimed program that matches our members with opportunities to interact with our CSUF faculty and students.

In addition to our courses and social activities, we offer many membership benefits, including a campus parking pass, free auditing of many university courses, secure Wi-Fi access, outstanding learning facilities, computer labs, and performance studios.

By joining OLLI, you'll join a welcoming community of curious, friendly learners with diverse life experiences.

Five Open House Tips

1. **You can join OLLI today.** Enrollment specialists will help you in Room 19. Annual membership for three semesters is \$290. Fall-only membership is \$160. Some courses, such as Ceramics and Music, will collect lab fees at a later date.
2. **Ask questions of our Open House Hosts** who are wearing neon yellow vests.
3. **Restrooms are outside the Auditorium building and inside the Shapiro Wing.**
4. **Avoid the lineup for lunch by visiting our exhibits till noon.** While lunch service begins at 11:00 a.m., you can avoid the “first rush” lineup by touring our exhibits and entertainment areas for an extra half hour. Later can be “faster.” We have plenty of food.
5. **Lunch seating will be available in Shapiro B/C/D and the courtyard patio.**

**OUR OLLI MEMBERS
ARE OUR GREATEST RESOURCE!**

OLLI FACTS

1. **Our annual membership fee covers all 100 classes and activities.** Some classes have material fees. There are additional costs for day and overnight trips, as well as some social events. These fees are listed in our Course Catalog (“Blue Book”) and the fall semester Schedule of Classes.
2. **A campus parking permit is included with without additional charge.** Not only is it valid at most CSUF student parking lots and structures, the permit entitles you to park in Lot J, which is reserved for OLLI members. We also operate the OLLI Trolley transporting members between parking Lot A & G (south of Yorba Linda Bl.) to the RGC “front door.”
3. **Our classes are taught by our talented members, CSUF faculty and staff,** including other subject matter experts recruited by our class coordinators.
4. **There are no educational pre-requisites** to join or attend any of our classes. **“No stress” lifelong learning** means no tests, no grades or attendance requirements.
5. **OLLI members can audit regular CSUF classes at no extra charge** with the instructor’s permission (mainly granted on a space available basis).
