December 9, 2025

CSUF OLLI
Ruby Gerontology Center
800 North State College Boulevard
Fullerton, California 92831

Dear OLLI members,

I am writing to provide an update on the progress of the OLLI Advisory Task Force. Since my October 17, 2025, announcement, the Task Force has completed its first phase of work, and I am ready to move forward with the actions outlined below that support Cal State Fullerton's enrollment growth and rising instructional demands, while honoring our long partnership with OLLI.

- CSUF will extend the current relocation timeline from June 2026 to no sooner than August 2027, with the flexibility to adjust if a mutually agreeable solution becomes feasible earlier.

- Beginning with the fall 2026 semester, CSUF will increase the use of Mackey Auditorium for Tuesday-Thursday classes, while ensuring OLLI receives priority use for Fridays through Sundays. This balanced approach allows CSUF and OLLI to continue delivering high-quality learning experiences.

- CSUF and OLLI will maintain shared use of the Ruby Gerontology Center, outside of the Mackey Auditorium, through spring 2027. This ensures continuity for OLLI programming and university operations while longer-term space planning continues.

- We will also identify CSUF-funded, short-term, minor capital improvements to the RGC that will benefit all who use the facility, demonstrating our commitment to maintaining a high-quality learning environment for all students.

I want to express my gratitude to the members of the Task Force for their thoughtful, diligent work, and their commitment to creating a collaborative process with openness and good faith. Their commitment exemplifies the very best of who we are as a Titan community – honoring the past, addressing today's challenges with clarity, and planning boldly for what lies ahead.

Sincerely,

Ronald S. Rochon
President
