In collaboration with the American Guild of Organists, Christ Cathedral is presenting a 19 hour Bach-a-Thon, featuring all of Bach’s organ works, played on the spectacular Hazel Wright Organ. The highlight of this event is the “Best of Bach,” which we will attend. It will feature both the Organ and the Cathedral’s Choirs. It is a secular event, although some of the music will be religious in nature, because that is much of what Bach composed for the organ.

The Cathedral’s Hazel Wright Organ (aka “Hazel”) recently completed a multi-year, \$3 million refurbishment that involved taking it apart, shipping the parts to Italy to be refurbished by the organ makers who originally made it, and reconstructing it under their watchful eyes. It is the world’s 5<sup>th</sup> largest pipe organ, with 17,106 pipes. It now is in superb condition.

Before our concert, we will enjoy a buffet style dinner at Lucille’s Smokehouse Bar BQ. The buffet will feature baby back ribs, smoked BBQ chicken and Texas-style beef brisket, along with grilled seasonal vegetables, garlic mashed potatoes, mac & cheese, a house salad, and biscuits with apple butter. Tea, coffee and soft drinks also will be included.
