Dear OLLI Members,

I am writing to share an update regarding ongoing space planning discussions for OLLI.

Based on the recommendations from the OLLI Advisory Task Force, I have approved the decision to discontinue consideration of the ASC Building basement as a location for OLLI programs. Progress toward more viable alternatives has made this option unnecessary.

I'd like to thank the members of Cal State Fullerton and OLLI for their thoughtful work and continued commitment to this process. I also appreciate the broader engagement of OLLI's membership as we move forward. We will continue to share updates as planning progresses.

Sincerely,

A handwritten signature in black ink that reads "Ronald S. Rochon".
