

Drawing for the Fun of It Syllabus - Spring 2026
Meets every Wednesday 10:00 am - noon, Shapiro ABCD

Class meets weekly in hybrid mode. Participants can meet face-to-face in Shapiro ABCD or on Zoom from home. We welcome all levels of artists. Classes are recorded so you can also access them for review or if you missed a class. Links to these videos and to handouts and supplies for the class are available on the OLLI member-only Drawing for the Fun of It website. To start out in this class, all you need is a pencil, eraser, sharpener, paper and waterproof table covering. As we progress through the class, instructors will list needed materials in their lesson handouts.

REMEMBER TO HAVE FUN! IT'S ONLY PAPER!

Dates	Topics	Instructor(s)
